

Cambridgeshire Bird Report 2008

Errata

p2. The illustration of the Rock and Water Pipits should have been only of the Water Pipit, on the left.

p15. There is a line of words missing from above the illustration of the European Shag. The missing text is given below, in context of the surrounding sentence:
“...Ferry Meadows CP on 5th and 6th respectively, and a Great Skua at Grafham Water on 12th....”

p72. “*Density* (individuals/10 squares): <1 (95/96) cf. 1 (07/08)” is duplicated; the second line should be deleted.

p74: The latest date for Whimbrel should read Aug 24th.

p78. A line of text above the vignette of the Wood Sandpiper has been omitted and is provided below with adjacent text:
“.....Berry Fen 2 on May 7th and singles on 8th, 10th and 13th and Nene Washes on May 18th.”

p81. The sentence “Long Drove (Cottenham) one with uniform slate grey bill on Nov 12th” has been duplicated; the second line should be deleted.

p81. The text under Little Gull has been obscured. The status sentence should be as follows:
“*Amber List*. Uncommon passage migrant, rarer in winter. Has summered, and bred in 1975.”
